# CHARITY WEEKEND - Friday 28 April to Monday 1 May 2023

We're fun...draising for MacMillan Cancer Support and the Great Ormond Street Hospital Charity over the May Bank Holiday weekend. Two great causes that we're proud to fundraise for!

We've set ourselves a goal to raise £1000 over the weekend, and we know you'll be keen to help us achieve our target! With three great events taking place over the weekend we know we can do it! Whether you join us for all three or only one of them for a short while we, and the charities, will be grateful for your support!

## RACE NIGHT

The thrill of horse racing comes to The Berkeley Arms. Join us for the whole evening or a race or two! Contact us before the night if you'd like to sponsor a race or become a horse owner for that extra fun!

## HOUNDOGS

They're back! There's no charge to enjoy the music but we'll be shaking buckets for donations to our charity causes towards the end of the evening. Please give generously!

# KING CHARLES III CORONATION WEEKEND

Do you remember the Big Screen from New Years Eve? What a great night that was!

You missed it? Well, it's a massive 6m wide screen erected on the side of James and Cam's house (thank you for letting us do it!) opposite the pub which we then projected Big Ben and the BBC's New Years Eve concert onto!

Well it's making a come back as we show the Coronation Concert from Windsor Castle on it on the evening of Sunday 7 May! Make a note in your diary, it's going to be spectacular and an evening not to be missed!

# WYMONDHAM LIVE - Friday 9th to Sunday 11 June 2023

We're so looking forward to June and something completely new for the pub and the village - **Wymondham LIVE!**

With a mixture of live events taking place in and around Wymondham over the weekend of Friday 9 to Sunday 11 June we know it is going to be a weekend to remember!

And it's not just the pub! Josh and our friends at the **Wymondham Windmill** are hosting events and we hope other venues in the village will jump on board and do the same!

If you'd like to be involved, or simply have an idea for an event to be included, we're keen to hear from you.

Checkout our website and social media channels for full details of all of the events taking place [www.berkeley-arms.co.uk](http://www.berkeley-arms.co.uk)

## SO YOU'VE READ THIS FAR!

It's taken a while - the best things never happen quickly - but we hope you've found this 'newsletter' to be a useful way of bringing you up to speed with happenings at the pub.

We know not everyone uses social media and we hope this brings information we share there to a few more residents in the village who maybe weren't so aware before.

We're hoping to produce one of these every month and welcome input from other businesses and organisations in the village that would like to similarly share their news and details of future events. Please do get in touch.

Until next time, take care, be nice, support our amazing village pub and enjoy everything it has to offer!
