ENGLISH WINE WEEK 2023

Over recent weeks we've been refreshing our wine list. Initially you'll have noticed the wines we sell by the glass changed. In May we introduced a few new wines to our list including our first English wine - Chapel Down's Bacchus.

The Bacchus grape variety, a popular choice amongst English and Welsh vineyards, has the potential to become Britain's answer to Sauvignon Blanc. With a distinctive flavour and zest it is fast becoming a local alternative to ever popular New Zealand Sauvignon.

Chapel Down's Bacchus is a delicate white wine with aromas of elderflower, melon and pear drops. The palate has fresh flavours of lime and honeysuckle which leads to a crisp finish.

To celebrate English Wine Week, from 17 to 25 June, we're offering **20% off** our range of English wines. Visit, enjoy, think local.

KITCHEN GARDEN

With thanks to everyone who has dropped off spare seedlings, plants and seeds our kitchen garden has taken hold and is growing a pace! It won't supply all of our salad and vegetable needs but it will certainly provide fresh, locally grown produce for our signature dishes.

We're looking forward to growing more over the coming weeks and months. Feel free to take a look at our progress when you are next at the pub.

GIN of the MONTH

June's Gin of the Month is **Hyke Gin**. Distilled in England with a sustainably sourced grape spirit reflecting it's African and South American origins. .

Whether it's with Mediterranean Tonic, lemonade or simply tonic we know you're going to love it!

THE BUSINESS DIRECTORY

We're happy to list businesses **based in Wymondham and Edmondthorpe** that provide a service to those living in the villages and their surroundings. Please mention the Berkley Arms when calling any business from our list.

Don't hesitate to contact us if you would like your business, or a business you'd recommend, adding to the list.
