AUTUMNAL VIBES

We've got some seriously tasty dishes lined up for the next few weeks, as we enter Autumn, and we know you're going to like them.

As the nights get longer and the days colder it's time for comfort food. Warm, rich, full of flavour, simply delicious. Bringing back memories of childhood with hints of Gran's favourite meals, it's a time to reflect, a time to savour.

Ox Cheek Bourguignon Hot Pot features on the menu this week. It's a rich, slow cooked, beef cheeks in a delicious red wine sauce, served with crispy potatoes and fresh greens.

If you like game then our Roasted Stuffed Whole Partridge wrapped in pancetta and served with Dauphinoise potatoes and a red wine jus will tick the box.

FRENCHVINES WINES

We're thrilled to announce that we're partnering with Frenchvines, the wine shop owned by Nathan and his partner, located in Wymondham opposite the pub!

Whether it's lunch, an evening meal, a hearty Sunday roast, or any of our seasonal specials, there's a wine which will make your meal even more enjoyable. Enjoy a Sauvignon Blanc or Malbec and you'll be supporting your pub and Frenchvines!

We're incredibly proud to have Nathan's Frenchwine shop in our village, and if you haven't visited or tried his wines yet, we highly recommend it.

WE'D LOVE TO HEAR FROM YOU!

PARISH COUNCIL NEWS

This content has been provided by Terry Brown, Clerk to Wymondham and Edmondthorpe Parish Council, on behalf of the Council.

Fact 1 : At present there are 8903 other Parish Councils

Fact 2 : Collectively this year (2024-25) they will collect (precept) £783million from their ratepayers.

Fact 3 : On average each Band D ratepayer will pay just over £88 this year to their local Parish Council.

Where is this going?

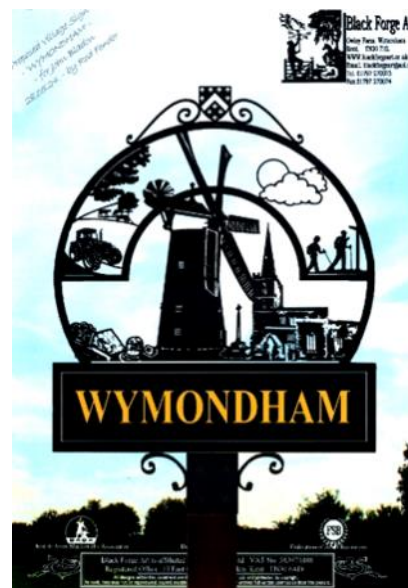

The Parish Councillors of your Parish Council are now minded to proceed and spend some £20000 over the next two years to erect Village signs in both of the two Villages and the proposed Wymondham sign is shown.

With a precept this year of approximately £20000 it means each Band D will be contributing £40 a year for the next two years to the project.

Do you have a view?

The next meeting is on Monday 7th October at Wymondham Village Hall

FOLK EVENINGS

Melton Folk are "a bunch of enthusiastic folkies that meet weekly to share words and music in a very broad folk tradition".

We're really pleased that they've based themselves at the Berkeley once a month

Whether you play, sing or simply enjoy listening to great music ... come along. All are made more than welcome!

MACMILLAN CANCER SUPPORT COFFEE MORNING

The World's Biggest Coffee Morning comes to The Berkeley Arms from 11am on Friday 27 September. An annual, national event raising funds for MacMillan Cancer Support, we'd love your help with our efforts!

Could you make a cake? If you're Mary Berry, or her lesser known sister Barely Edible, we'd be pleased of your contribution! Drop them at the Berkeley any time from 12noon on Thursday 26 September or bring them along on the day. Similarly, we're holding a raffle, if you would like to donate a raffle prize we'd thank you enormously!

Why not join us for a coffee and cake on Friday 27th?

PUMPKIN CARVING

Don't forget to come along to our Pumpkin Carving session at the pub on Saturday 26th October from 3pm! We'll supply the pumpkins. Come dressed to scare!

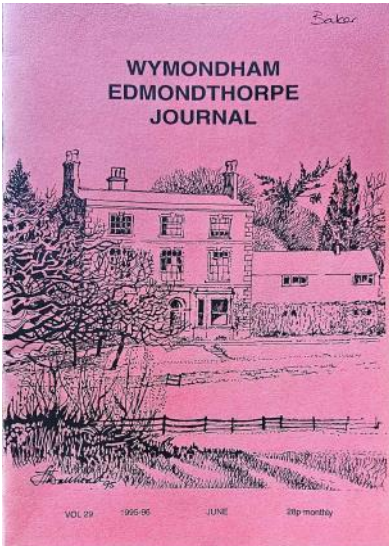

We've hidden Berkeley Badger somewhere in this issue of the Newsletter. Can you find him?

The Wymondham and Edmondthorpe Journal was published and distributed for many years until the outbreak of COVID in 2020. It included articles related to the village, news from the Parish Church and reports of events taking place locally.

Jenny Weston has dug deep into her archive and loaned us a few issues of the journal which we're thrilled to be able to reproduce excerpts from in the Newsletter.

This month's excerpt has been reproduced from the Vol 29, #2 published in June 1995. Edited by Gillian Bunting with assistance from Maureen Dickens, Pam Hickman and Walter Robertson.

The cover of the issue included a sketch by Steve Wallhead of the south side of Wymondham House.

Full coverage of the "May Day Celebrations" and "VE Day Commemorations" in the village were included together with news from St Peter's Church, provided by Rector Alan Threadgill, and the staff & pupils at Wymondham Primary School.

.....

Wymondham May Day 1995

The lack of sunshine did not stop the large crowd of locals and visitors enjoying the skills and colourful costumes of the Wymondham Country Dancers, Rutland Morris Men and the visiting French Country Dancers.

The Maypole Dancing organised by Gaynor Glenn and Rosemary Gregory was very entertaining, and enjoyed by all. The children were well practiced, and this coupled with enthusiasm, created a charming display. A credit to Wymondham School, both teachers and pupils.

Thanks to the organisers, stallholders, dancers and to the WI - I am sure the day gave immense pleasure and evoked sweet memories.

VE Day 50th Anniversary Commemoration

In the evening a 1940's theme social evening took place in the village hall. Again, music of the period was played and a large number of people took the opportunity to demonstrate their foxtrot and quickstep skills. In keeping with the national programme, a period of two minutes silence was observed at 8.38pm. The bar as provided by the Berkeley Arms and the buffet by Sharon Grech. A raffle organised by Harry Jones and the Village Hall committee raised £50 for the British Legion to which was added a £20 donation from Richard Flavell of the Berkeley Arms. Raffle winners were Miss K. Gamble, Mrs J. Semmens, Mr E. Gale, Mr R. Flavell, Mrs M. Lewis, Mrs M. Hughes (2), Mrs K. Bottom, Mr J. Sergeant (2), Mr L. Robinson and Mr K. Badcock. An interval sing-song was again led by Marion Lewis on the Village Hall piano. Clearing up was cheerfully carried out by Wymondham Players - principally Jackie, Christian and Tina Semmens, Jenny and Paul Weston, Andy and Claire Gamble and Geoff and Tracky Cropper.

REMEMBRANCE

Remembering those that gave their lives during both World Wars and subsequent conflicts is something most countries around the world do on differing days of the year. Eleventh of November, Armistice Day, is a time of reflection in the UK and for giving thanks.

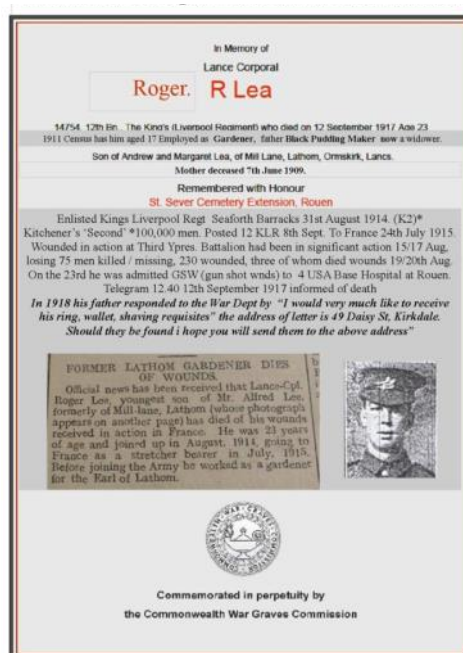

Last year we invited you to donate to purchase large poppies for display around the village. Your generosity astounded us and we purchased far more than we had anticipated. These will be placed around the village again this year from the start of November. We'll be placing another order this year, and also acquiring a number for display on the front of the pub. Each poppy costs £5 and is reuseable from one year to the next. They're also purchased from the Royal British Legion Poppy Appeal so all profits go to a good cause. If you'd like to donate to the purchase of a poppy for display around the village this year please call or pop into the pub to make your donation.

REMEMBRANCE BOARDS

This year we're looking to create remembrance boards for each of those who lost their lives in conflict who lived in the village. Those listed on memorial plaques in, and around, St Peter's Church in Wymondham are listed to the right. Identifying those who have given their life in subsequent conflicts is proving more difficult.

This is where we need your help! Can you add to the list of war dead of villagers from wars after to World War II, more recent conflicts? Are you able to provide more information than we already have about any of the service men listed? Maybe you're related to one of them and have a photograph we could copy? You could be keen on research (family, local or conflict) and would know where additional information could be found? Either way, we're asking for your help.

CASUALTIES OF WAR

These are those service personnel listed as casualties of World War I and World War II on memorial plaques in St Peter's Church. Are you able to help us build a picture of their service and life pre-war?

Do you know who their parents or other relatives were? Where did they live in the village? What were they doing before they signed-up? Do you have a photo of them? Can you help us gather this information?

THE BERKELEY ARMS ONLINE

It's not for everyone but if you go online and enjoy the positives of social media then you should be following us!

This month we've shared details of our **Lobster and Steak Sharing Platter**, a mouth-watering combination featuring succulent lobster and a perfectly cooked steak, paired with golden chips, a fresh salad, grilled vegetables, and our signature sauce. Needless to say, it's proven to be very popular!

You'll also see behind the scenes at the pub and feel part of the Berkeley Arms family as we share the highlights of our week. See how we make our **Berkeley Arms Sausages**, happenings on our vegetable patch and in the greenhouse. Did you know we grow a significant amount of salad vegetables at the pub? This year, despite a tough growing season, our garden has blessed us with an abundant tomato harvest which we're thrilled to use in our menu, especially in our popular **Avocado and Tomato Bruschetta** with pinenut pesto.

Of course you'll also find out first about events happening at the pub in the future. Junkyard **Cats Jazz Band** performing on Sunday 18 August from 5pm was announced first online.

Online is also where we celebrate with our guests - birthdays, weddings, bar mitzvahs and the occasional disciplinary meeting! It all happens online!

Facebook and Instagram are our main social media channels. You can find us on Facebook at <https://www.facebook.com/BerkeleyArms>

On Instagram you'll find us at @BerkeleyArmsWymondham

REFRESHINGLY COLD BEERS

The Berkeley is the best place to cool down this Summer with a refreshing drink chosen from our extensive range of premium beers, lagers and ciders.

We've added **Becks** to our range of lagers this month. It sits nicely alongside **Camden Hells, Mahou** and **Stella Unfiltered**.

Kopparberg Strawberry and Lime fruit cider, from Sweden, on tap has also appeared on the bar this summer. If the **Old Mout** ciders (Berries and Cherries, Kiwi and Lime and Pineapple and Raspberry) remain your favourite then you'll be pleased to know we're still selling those by the bottle.

Ale-wise, **Adnams Lighthouse** remains our 'always present' on the bar with a selection of other national, regional and local ales available by it's side.

TABLE TENNIS

Thanks to a grant from The Sedley Trust, for which the Village Hall Committee is exceedingly grateful, we have been able to purchase a full sized table tennis table, which is available for immediate hire. Just pay to hire the hall and use of the table tennis table is FREE OF CHARGE.

Both the newly-formed Table Tennis Club and occasional players - of all ages - may book the hall in the usual way.

We hope this will provide valuable facilities for young people in the village, although under 18s will need a responsible adult to be present, when they are in the hall.

WASSP

This content has been provided by Charlotte Colton the Clerk to the Trustees of The Sir John Sedley Educational Foundation, on behalf of the charity.

WASSP (Wymondham Area Sports and Social Partnership) is a voluntary committee that maintains and manages the sports equipment on the Sedley Playing Field.

VOLUNTEERS NEEDED : HELP KEEP OUR CHILDREN'S PLAY AREA OPEN!

WASSP urgently need your help to keep the play area on the Sedley Field open and safe for our children! WASSP is looking for volunteers to assist with essential tasks. Without volunteers, the play area may need to be temporarily closed, as we need to ensure that regular, legally-required safety checks and maintenance are conducted to ensure the safety of the children using the equipment.

Can you spare just 20 minutes a week? That's all it takes to conduct a quick visual check of the play equipment. It's a perfect opportunity for regular dog walkers or anyone who enjoys a stroll around the field!

WASSP also need help with:

- Monthly in-depth checks (about 40 minutes)
- Fundraising projects
- Managing field access
- Basic administrative tasks

No special skills required – just a willingness to contribute to our community. Full guidance will be provided.

Without volunteers, we may struggle to keep the play area open. Let's work together to ensure our children have a safe place to play and grow!

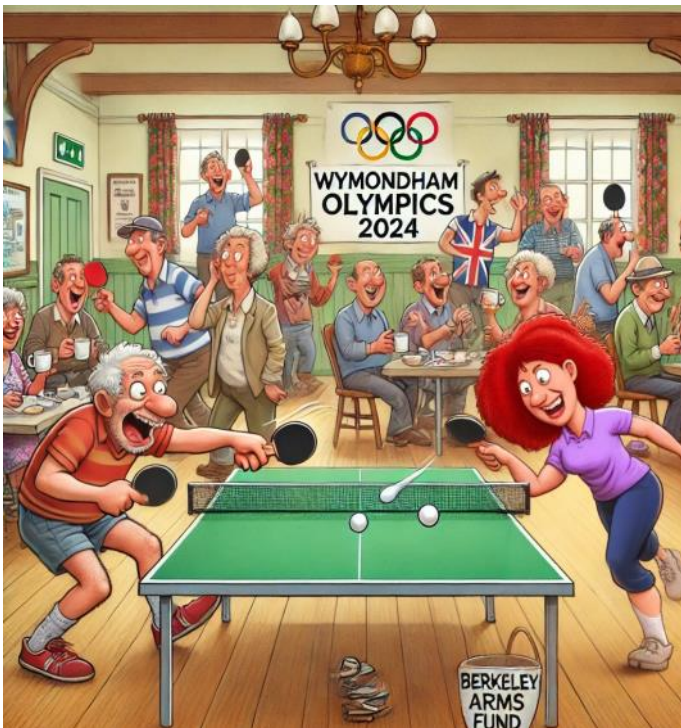

Interested or want more information? Please contact Charlotte Colton at The Sir John Sedley Educational Foundation on 01572 722903 or email clerk@sirjohnsedley.org.uk

TABLE TENNIS CLUB

This content has been provided by John Hamlin on behalf of Dr Carole Campbell.

NEW TABLE TENNIS CLUB at the VILLAGE HALL!

As the 2024 Paris Olympics fade as a distant memory and we look forward to the Paralympics, we're delighted to announce that Wymondham is launching its very own major sporting event—well, kind of! Carole Campbell has set up a brand-new Table Tennis Club at Wymondham Village Hall, and we're certain it'll be the talk of the village (and maybe even Paris).

Every Tuesday, from 5:30pm to 7:00pm, come join us for some ping-pong action. Whether you're a total beginner unsure which end of the bat to hold, or a recreational player dreaming of rallying and spinning like the pros, everyone is welcome!

For just £5 per session to cover the hall hire fees, you'll get some great exercise and have a lot of fun. And here's the best part—any surplus will go towards a pot for a well-deserved drink (or two) at The Berkeley Arms! Who knew table tennis could be so rewarding?

So dust off those trainers, bring your best game face (or just your best excuses), and join us every Tuesday. After all, if you weren't selected for Team GB, this is the next best thing! To join the group and find out who's available to play each week, just drop Carole a whatsapp message on 07976 249897 and she'll add you to the Wymo Table Tennis group. No bat? No problem. The Table Tennis club has plenty of spares.

See you there!

INSPIRING WOMEN

DID YOU KNOW ?

We typically think of 'fall' as the North American version of the word 'autumn', but it was in fact in widespread usage in England until relatively recently. Originally a shortening of the phrase fall of the leaf, the phrase was common in England in the 17th century.

The word autumn entered English from the French automne and didn't become common usage until the 18th century.

Just for LAUGHS

A man goes into a bar with his small pet newt called Tiny. "A pint for me and a half for Tiny, please," he says to the landlord.

A man says to his wife, "Grab your jacket I'm going to the pub." She asks, "Oh, are you taking me with you?" "No, I'm turning the heating off."

WYMONDHAM HERITAGE TRIAL

In 2015, the Wymondham & Edmondthorpe Civic Society created the Wymondham Heritage Trail leaflet which offered a guided walk around the village taking in it's historical sites.

Occasionally we'll reproduce excerpts from the leaflet, which is no longer in print.

THE MARKET CROSS

Outside the church, just immediately to the right of the church door (as you look towards the porch), stands the rather dilapidated remains of the medieval Market Cross. It used to stand on the Main Street, near the present day Post Office (*now Pinfold Cottage, the AirBnB*), but was moved to this spot, possibly in the 1830's for safe keeping.

On February 12 1303, when his army was at Dunfermline, Edward I granted John Hamelin and his heirs the right to hold a weekly Monday market at the manor of Wymondham, probably a reward for services rendered in battle.
